

**Dignity Health Medical Group Ventura County**, Oxnard, CA 8/2020 - Present *Obstetrics and Gynecology Attending Generalist Physician*  
Provide full spectrum women's health care including prenatal care, labor and delivery and general gynecology outpatient and surgical care

**UCLA Health**, Los Angeles, CA 07/2016 – 06/2020 *Obstetrics and Gynecology Resident Physician*  
Resident physician in training in the Department of Obstetrics and Gynecology, a four year academic training program

**Pennsylvania State University College of Medicine**, Hershey, PA 08/2012 - 05/2016 *Doctor of Medicine (M.D) degree*  
Medical Student Research (MSR) commencement award (2016)

**Wellesley College**, Wellesley, MA 08/2006 – 5/2010 *Bachelor of Arts in Neuroscience and Art History with honors, cum laude*  
Plogsterth Award in Art History (2010), National Institutes of Health (NIH) Summer Intern (2009), Wellesley College Office of the Dean Student Thesis Grant (2009), BellSouth Research Grant (2007-2008) recipient

#### **WORK EXPERIENCE:**

**The Advisory Board Company**, Washington, DC 06/2010- 06/2012 *Strategic Research Senior Analyst*  
Conducted long-term independent and team-based research efforts on broad array of diagnostic imaging technologies and related healthcare issues pertaining to radiology, women's health, and service-line planning. Designed and executed intricate quantitative market and financial assessments for hospitals evaluating capital technology and infrastructure investments. Presented original research to hospital administrative leaders and industry executives.

**National Institutes of Health**, Bethesda, MD 05/2009 – 08/2009 *Office of Biotechnology, Health Science Policy Summer Intern*

Prepared a Points-to-Consider document and presented about assessing the risks of genetic research. Analyzed bioethics literature and institutional programs and assisted with funding analysis to collect data for the NIH Bioethics Taskforce Initiative.

#### **RESEARCH EXPERIENCE:**

**UCLA Department of Obstetrics and Gynecology**, Los Angeles, CA 07/2016 – 06/2020 Designed and performed resident research projects with the Division of Maternal Fetal Medicine on preeclampsia and retinal disease and with the Division of Female Pelvic Medicine and Reconstructive Surgery on the epidemiology of pelvic floor disorders in the gynecologic oncology population and the Division of Gynecologic Oncology on granulosa cell tumors.

**Heilongjiang University of Chinese Medicine**, Harbin, China 05/2013 - 08/2013 *Research Assistant*  
Designed and executed a medical education research project that involved organizing and leading a journal club with Ob/Gyn colleagues at a medical university in Harbin, China. Assisted with literature review of alternative medicine for endometriosis and genital infections.

**Wellesley College Chemistry Department**, Wellesley, MA 09/2007 – 05/2008 *Research Assistant and BellSouth Grant Recipient*  
Applied computational methods to analyze clinical data and generate database of sequences for the NIH Presented work at the Wellesley College Ruhlman Conference 2008.

**Fight For Sight**, New York, NY 05/2007 – 07/2007 *Summer Undergraduate Fellow at Columbia*

## University

Investigated project on Age-Related Macular Degeneration in the Department of Ophthalmology  
Presented work at the Wellesley College Tanner Conference 2007.
